OCTOBER THOUGHTS.

The Swift-Fleeting Swallow and the Trumpet-Voiced Crane,

The Affectionate Stark and the Peaceful Dove, Selected by God to Convey Brantiful Thoughts Through the Air Talmage On the Lord's Judgment.

Rev. Dr. Talmage selected as the subject for his sermon Sunday through the press, "October Thoughts," his text being Jeremiah viii. 7: "The stork in the heavens knoweth her appointed time; and the turtle, and the crane, and the swallow, observe the time of their coming; but My people knoweth not the judgment of the Lord." When God would set fast a beautiful

He would put it affoat, He fashions it into a fish. When He would have it glide the air, He molds it into a bird. My test speaks of four birds of beautiaffection that it is allowed familiacity to come, in Holland and Germany, and ing in color white, and brown, and ashen. and chestnut; the crane, with volce like the clang of trumpet; the swollow, swift as dart shot out the bow of Heaven, falling, mounting, skimming, sailing-four birds started by the prophet twenty-five centuries ngo, vet firing on through the ages, with rousing truth under glossy wing and in the clutch of stout claw. I suppose it may have been this very season of the year-autumn and the prophet, out of doors, thinking of the impeni-

great ery averhead.

Now, you know it is no easy thing for one with ordinary delicacy of eyepsenday heaven; but the prophet looks no, and there are flocks of stories, and ortle-doves, and cranes, and swallows, drawn out in long lines for flight southward. As I their habit, the erunes had arranged themselves in two lines making an angle, a wedge split ting the air with wild velocity, the old cane, with communiting call, bidding them onward, while the towns and the sities and continents slid under them. The prophet, almost blinded from looking into the dazzling beavens, stoops down and busins to think how much superior the birds are in sagnetty about their safety then men about RICHOROND, . . KENTUCES theirs, and he puts his hand upon the pen and begins to write: "The stock in the beaven knoweth her appointed the judgment of the Lord."

the last night before adjournment, or unfortunate member proposes more economy in the queen's household-a convention of birds all talking at once. moving and massing resolutions on the subject of migration; some proposing to go to-day, but all unanimous in the fact that they must go soon, for they have marching orders from the Lord. written on the first white sheet of the frost and in the pictorial of the changeing leaves. There is not a belted king-Isher, or a chaffinch, or a fire-created wren, or a ployer, or a red-legged partridge, but expects to spend the winter America, or in Africa; and after thou-RICHMOND, . . . KENTUCKY, in the very tree where they spent last Strew the continents with music, and whether from Crylon isle, or Carolinian swamps, or Brazilian groves, men see Walt until next year." After a while your wings or hear your voice, may we start and it is too late, and we ther yet bethink themselves of the solemn words of the text: "The stork in the heavens knoweth her appointed times, and the tartle, and the crane, have started too late, and in the mornand the swallow, observe the time of

their coming, but My people know not snow. And there are those who have the judgment of the Lord." I propose, so far as God may help me, in this sermon, carrying out the sickness, when the mind was gove, idea of the test, to show that the or they were on the express than men. And I begin by particularising and saving that they mingle "draw was up" and they went down music with their work. The most ser- How long to repent and pray?
